Double or even triple the impact of our gift AND enjoy more benefits!

Over 15,000 companies match charitable contributions made by their employees to non-profit organizations and some even match gifts made by Board Members, retirees or spouses. To learn if you can increase the impact of your gift through an employer matching gift program and experience more benefits at a higher level of membership, review this list to identify if your company has a matching gift policy. If your company does match contributions, simply request a matching gift form from your Human Resources department, fill it out and send it along with your gift to Arena Stage.
